

## WHY TRAIN WITH ADF?

ADF - African Defence Foundation is a group of companies that specialise in advanced defence and security related services with a specialisation in high-risk operations in Africa and the Middle East.

If you want to be the best the industry has to offer, and you wish to progress rapidly within the private security industry in South Africa or abroad, then ADF is your solution. ADF instructors are all ex-military and police, with many years experience in hostile environments, whether it be within the Middle East, Africa, or at sea. Don't settle for second best, choose ADF.

## Level 3 Security Training: **HOSPITAL SECURITY OFFICER**

### ABOUT THIS PROGRAMME

Assault, intimidation, vandalism, theft and destruction of property is unfortunately the realities of modern society, and Hospitals are not exempt from such incidents. Security is an ever increasing component in ensuring a safe environment within health care facilities, and security personnel protect the sick and vulnerable from further injury and harm, while also preventing and protecting health care property from theft or damage.

### WHO SHOULD ATTEND

Men and women between the ages 18 - 35 who wish to advance in the private security industry.

You're determined to gain practical up-to-date skills from professionals to advance your security career.

You seek accredited qualifications and work experience with certificates and references for employment.
